Philios Angelides Elected to Fellow of SAME

DULLES, VA – The Society of American Military Engineers (SAME) has elected Philios Angelides, P.E., Alpha Corporation's Sr. Vice President and COO, to its 2013 Class of Fellows. Since 1972, SAME has bestowed the designation of Fellow on SAME members who have rendered dedicated and outstanding service to SAME and to military engineering.

Philios has been a member of SAME for over twelve years and has been serving on the DC Post BoD since 2007. Philios has served SAME at all levels – local, regional and national – providing leadership role and hands-on involvement in mentoring, professional development and training, networking, and community outreach efforts. His achievements within SAME include the formation of the first DC Post Student Chapter (GWU), developing partnerships with other associations (ACEC and CMAA) for the purpose of expanding networking and learning opportunities, developing educational programs, expanding membership and sponsorship opportunities and establishing the DC Post's Services Appreciation Night. As Post President in 2011, he led the DC Post in achieving SAME Top Large Post, earning distinction in all streamers and highest growth in membership for the year. In 2009, he received the DC Post Service Award for his contributions to the Post's Missions and Goals.

Philios will be honored for this achievement during the Society's Fellows Luncheon and Golden Eagle Dinner on March 27, 2013.

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management, engineering and project controls services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record*. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S. as well as additional international offices in Bogota, Colombia; Jeddah, Kingdom of Saudi Arabia; and Oxford, United Kingdom.
