Alpha Corporation Wins VDOT Hampton Roads CEI Contract

DULLES, VA – The Virginia Department of Transportation (VDOT) has selected Alpha Corporation to provide construction engineering services, on a districtwide basis, to support the Hampton Roads District. The contract duration may be up to four years with a total value of \$15,000,000.

This is Alpha's sixth contract in the District providing construction engineering inspection (CEI) services and follows a distinguished 15-year performance under the previous contracts. The contract will support the District's \$500 million plus construction and maintenance program and will involve the provision of up to 33 construction management and inspection staff at peak times. Many of the projects under this contract are within busy traffic corridors, environmentally sensitive areas and utility congested urban sites. The contract will also include support services such as engineering consultations, public relations, constructability and biddability reviews, CPM scheduling, claims analysis and risk analysis.

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management, engineering and project controls services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record*. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S. as well as additional international offices in Bogota, Colombia; Jeddah, Kingdom of Saudi Arabia; and Oxford, United Kingdom.
