SAME Recognizes Alpha Corporation with Multiple Awards

DULLES, VA – On January 17, 2013, at the National Press Club in Washington, DC the Washington DC Post of the Society of American Military Engineers (SAME) recognized Alpha Corporation as a Sustaining Member Firm of the Year for its multi-dimensional contributions to the Post's activities, programs and other events. Alpha has been a member of the DC Post for almost 30 years and throughout this time the firm and its employees have served in leadership roles within the Post's Board of Direction (BoD) and various committees, organized or sponsored events and programs and contributed other key support throughout the various programs. Alpha will be nominated nationally to receive SAME's 2012 Seymour S. Greenfield Sustaining Member Award.

At the same event, Philios Angelides, P.E., FSAME, Alpha Senior Vice President and COO, was recognized with the Post's Distinguished Service Award. Philios has been a SAME member for 15 years and has served the DC Post on the BoD for seven years, including serving as the Post's President in 2011. Philios's contributions to the Post include the formation of the Post's first Student Chapter (GWU), developing partnership agreements with ACEC/MW and CMAA NCC and organizing various educational and training workshops. Philios will be nominated nationally to receive SAME's 2012 Bachus Medal.

ABOUT ALPHA CORPORATION

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management, engineering and project controls services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record*, and has been recognized for Engineering Excellence by the American Council of Engineering Companies. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S. as well as additional international offices in Bogota, Colombia; Jeddah, Kingdom of Saudi Arabia; and Oxford, United Kingdom.
