Alpha Corporation Awarded Contract by GSA to Provide Construction Management Services

DULLES, VA – Alpha Corporation, a Professional Engineering/Construction Management firm, has been awarded by the General Services Administration, Heartland Region (Region 6) a 5-year, on-call Construction Management services contract.

Alpha has been selected to provide Construction Management services under a Multiple Award Blanket Purchase Agreement for new construction and renovations of existing buildings in Iowa, Kansas, Missouri and Nebraska. Potential project types include federal office buildings, courthouses, and other types of real property. Project sizes will range from small remodeling or repair projects to multi-million dollar new buildings or major renovations of existing facilities.

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management, engineering and project controls services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record*. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S. as well as additional international offices in Bogota, Colombia and Riyadh, Kingdom of Saudi Arabia.
