ALPHA CORPORATION WINS TOWN OF KITZMILLER CONTRACT

WINCHESTER, VA, August 21, 2014: Alpha Corporation, a professional engineering/construction management firm, has been selected by the Town of Kitzmiller, Maryland, to provide a professional building assessment for the former Kitzmiller Elementary School. The proposed reuse of the building includes, but is not limited to: classrooms, library, senior center, community center, commercial kitchen, etc. The work under this contract will consist of an environmental review of the entire site; structural review of the entire building to determine what areas need addressing to stabilize and provide a long-term solution; review of the utility systems; security measure requirements review; ADA review and compliance; and an energy efficiency review to determine how to make the facility more efficient utilizing Green Technology, as appropriate.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology.
