ALPHA CORPORATION ON WINNING TEAM FOR NATIONAL ARCHIVES AND RECORDS ADMINISTRATION A/E SERVICES CONTRACT

DULLES, VA, October 30, 2014: Alpha Corporation, a professional engineering/construction management firm, has received official word that the EYP team has been selected to provide supplemental A&E services under an indefinite delivery/indefinite quantity (IDIQ) contract for the National Archives and Records Administration (NARA). This contract is national in scope, supporting all existing and future NARA facilities including presidential libraries, regional archives, Federal records centers, the National Archives building and Archives II. Alpha Corporation's role on EYP's team will be to provide cost estimating and construction management services. The contract performance period is for one base year with four additional one-year options.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/ construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology.
