ALPHA CORPORATION ON WINNING TEAM FOR NPS NORTHEAST & NATIONAL CAPITAL REGIONS A/E SERVICES CONTRACT

DULLES, VA, August 28, 2014: Alpha Corporation, a professional engineering/construction management firm, has received official word that the GWWO, Inc./Architects team was awarded an indefinite quantity contract to provide multi-disciplinary architect-engineer design services for a variety of projects within the areas of national significance at locations throughout the Northeast and National Capital Regions of the National Park Service (NPS). The Northeast and National Capital regions include the states of Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, West Virginia, and Washington, DC. Projects under this contract may include, but are not limited to, design and rehabilitation of historic structures, museums, curatorial facilities, maintenance facilities, comfort stations, vehicular and pedestrian bridges, marine and coastal facilities, and memorials. Alpha Corporation's role on GWWO's team will include constructability review, construction management and inspection, and cost estimating services. The contract performance period is for one base year with four additional one-year options.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/ construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology.
