ALPHA CORPORATION PART OF WINNING EYP-LED TEAM FOR DOS OBO CONTRACT

DULLES, VA, May 7, 2015: Alpha Corporation, a professional engineering/construction management firm, has received official word that the EYP-led team, for which Alpha Corporation is a primary sub-consultant, has been selected to receive one of six indefinite delivery/indefinite quantity (IDIQ) contracts awarded by the US Department of State Office of Logistics Management (DOS OBO). This contract supports DOS OBO's planning, construction, facility rehabilitation, system replacement, physical and technical security upgrade, construction and renovation of communications facilities (information management and emanation security systems), and building maintenance projects. These projects fall within programs at various worldwide Foreign Service posts as well as DOS OBO's offices in the Greater Washington Metropolitan area.

Contract services include, at minimum: architecture, historic preservation, landscape architecture, interior design, environmental graphic design, electrical, mechanical, fire protection, structural (including blast/seismic), civil/geotechnical engineering, planning, cost estimating, facility management, project management, and construction management. Each IDIQ contract shall consist of a one-year base period with four, one-year optional service periods.

FOR IMMEDIATE RELEASE: Alpha Corporation Part of Winning EYP-led Team for DOS OBO Contract

May 7, 2015 | Page 2 of 2

As part of the EYP team, Alpha Corporation will provide preconstruction management, civil engineering, and quality control/quality assurance.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/ construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology.
