## ALPHA CORPORATION ON WINNING TEAM FOR GSA MID-ATLANTIC REGION CM SERVICES CONTRACT

**DULLES, VA, February 26, 2015:** Alpha Corporation, a professional engineering/construction management firm, has received official word that the AFG Group, Inc. team was awarded a contract to provide construction management services under an indefinite delivery indefinite quantity (IDIQ) contract for a variety of projects at locations throughout the Mid-Atlantic Region (Region 3) of the General Services Administration. This region includes the states of Virginia, Maryland, Delaware, West Virginia, Pennsylvania, and Southern New Jersey. Work under this contract will involve both new construction and/or renovations of existing buildings, some of which are historic properties. The building types include Federal office buildings and courthouses, border stations, laboratories, warehouses, and other types of real property. Project sizes range from small remodeling or repair projects to multi-million-dollar new buildings or major renovations of existing facilities. Alpha Corporation's role on AFG Group's team includes providing construction management and inspection services. This contract has a performance period of one base year with four additional one-year options.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/ construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology.
